

WHAT SOME OF OUR CUSTOMERS ARE SAYING ABOUT V.i.P.S.

Just wanted to let you know how we love our new library. We have received many compliments on how beautiful it looks. Thank you and all the guys that put in some late hours to help us be ready for our dedication in two days!!! Thanks so much. It was really appreciated.

Thanks for everything you do for us! The staffed white boards came in before classes started – what timing!!! You saved us again!

Many of our administrators have been calling around the state to their administrator friends and we have heard nothing but good things about your program and company from everyone we talk to. Thought you might enjoy knowing you have a fan club. That speaks very well of you and we look forward to seeing it. Thanks again for your help,

I wanted to say that Cathy Fitzgerald and I are both impressed with the work that VIP and IC have done to help make State Reporting easier. Good work!

“I also looked around for products that matched exactly, and V.i.P.S. was the best price as they usually are. Another reason I like working with V.i.P.S., is the amazing turn around in receiving my orders.
