## Imagine what the MimioClassroom products can do for you:

**DYMO** | **Mimio**
Interactive Teaching Technologies

### MimioVote
Easy drag-and-drop question templates. Designed for the way students think. It's rechargeable.

### MimioTeach
Ordinary whiteboards become interactive. Less expensive. More intuitive.

### MimioCapture
Use dry erase markers. Easily edit on your computer. Save for other classes.

### MimioView
The document camera, simplified. Everything you need. Nothing you don't.

### MimioPad
The freedom to move about the classroom. The technology to engage your students.
